

Reduced Moisture Discount Schedule

Available at **Jackson, Madelia, and Vernon Center** locations
ONLY!

There will be **NO** drying charge for corn under 30% moisture, loads over 30% are subject to applicable discounts or rejection.

Shrink **WILL** still be taken on all loads at the normal harvest policy rate of 0.7% per 0.5 points of moisture.

Only bushels **delivered** while we are offering this discount schedule will qualify and will need to be applied to **Delayed Price, Contract, Grain Bank, or Spotted.**

We will begin offering this starting **Monday, September 13th** and will be subject to change to normal harvest discounts at any time.

For questions regarding the policy, please contact your local grain marketer.
